OVERVIEW OF THE PRODUCT

- ❑ The G3 is an electronic side betting system for live tables games

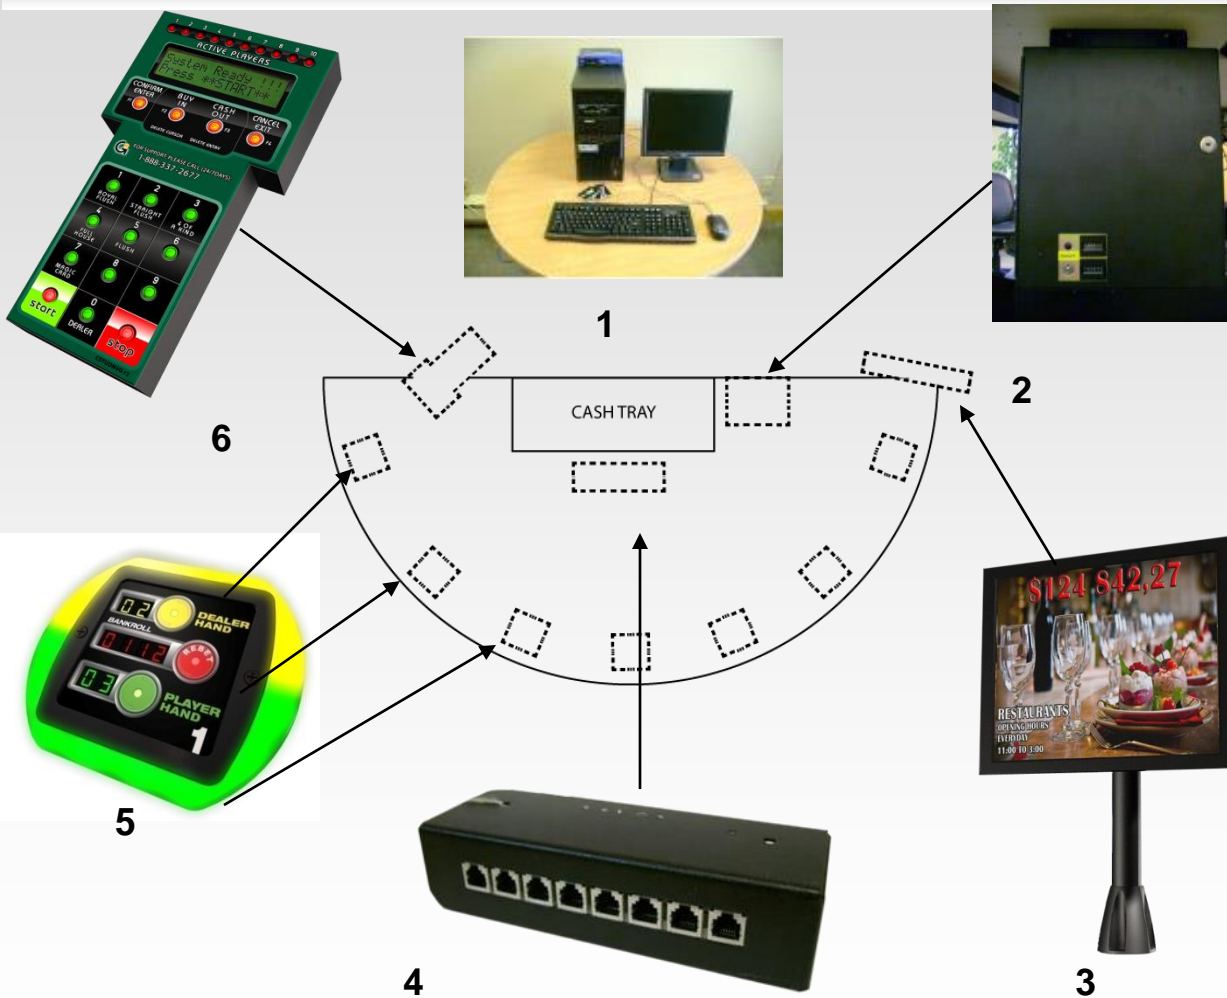

- ❑ It's three **main** patented features are:
 1. Multiple credit betting permitted
 2. Dealer hand betting permitted
 3. Mystery Prizes

- ❑ The G3 is protected by 10 patents in more than 50 countries

Unique Selling Proposition

The G3™ is an electronic system that will generate more table game side betting revenue for your casino than similarly priced coin sensor technology ever could, thanks to its many patented features.

ITS COMPONENTS

- 1. Game Server:** G3's main computer. Usually installed in the pit or manager's office.
- 2. Table Controller:** Screwed under the table. Controls #3,4,5 and 6. Talks to game server.
- 3. Table display:** This 19" screen displays prizes, pay tables, game rules etc.
- 4. Bet Manager Hub:** Screwed under the table. All bet managers connect here.
- 5. Bet Manager:** The player's betting interface. One per betting spot. Available in Green, blue or red.
- 6. Dealer interface:** Enables the dealer to manage all aspects of the game from buy-ins to paying out prizes.

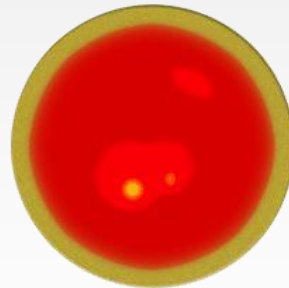

A QUANTUM LEAP IN BONUSING

THE BET MANAGER

Multiple Chip/credit wagering

- ❑ Multi-betting allows players to wager more than one credit on the side bet. Winnings are paid directly to the credit bank.
- ❑ Automatically multiplies side bet winnings by the number of bets made.

Dealer Hand Betting

- ❑ Allows players to bet on the dealer's Hand

Sleek look and design

- ❑ Available in green, blue or red. Customization available at a premium.

PAY TABLE & PRIZE TYPES

Here is an example of a G3 progressive pay table for Caribbean Stud Poker. DEK has pay tables for several games already approved by regulatory agencies (NGCB and GLI).

HAND	PAYTABLE
Royal Flush	100% of jackpot
Straight Flush	10% of jackpot
4 of a kind	500 for 1
Full House	100 for 1
Flush	50 for 1
Magic Card	20 for 1
Lucky Player	5 for 1
Lucky Dealer	5 for 1

G3 pay tables typically consist of 3 different prize types:

1. Progressive Prizes: Meter value
2. Fixed Prizes: These attractive prizes are multiplied by the number of credits wagered by the player when won
3. Mystery Prizes: High hit frequency prizes added to all G3 pay tables to maintain customer interest and betting average. Also multiplied by the number of wagered credits when won.

MYSTERY PRIZES (1 of 2)

- ❑ Mystery prizes are low dollar, high hit frequency prizes that will keep your players playing the base game longer.
- ❑ There are 3 different Mystery prizes: The Magic Card™, the Lucky Player™ and the Lucky Dealer™.

- ❑ **The Lucky Player™**: If you are seated at the randomly selected position you've placed a side bet, you win the randomly drawn prize.
- ❑ **The Lucky Dealer™**: A Lucky Dealer message randomly appears on the table display:
 - **If you placed a side bet on the dealer, you win**
 - **All players are paid in proportion to the number of credits they have bet**
 - **There can be more than one player paid when Lucky Dealer comes up**
 - **If dealer hits Progressive Jackpot, multiple player bets are paid out**
 - **according to casino rules**

LINKING UP TABLES

- The G3's TCP/IP Game Server can link all your table games to create central jackpots.
- Thanks to Real Link, table games can be linked together, within a pit, a casino or even across multiple casinos!
- Connectivity is offered in wired or wireless solutions
- Real Link™ is included in the G3's monthly lease price

You will find that the G3 is a compelling new source of revenue for your casino. Here is a chart depicting the average side bet placed with **Dek International's G3** in five actual casinos (names withheld).

As you can see, after only one month of operation (columns 2-3-4-5), the average side bet wager increased by 47% compared to coin sensor technology (column 1) maxed out at \$1 per side bet.

MULTIMEDIA CAPABILITIES

- ❑ The system can display table limits, payout charts, television programming or events, publicity, promotions as well as visual and/or sound effects (multimedia feature offered at a premium). Let the G3 work for you!

CONCLUSION

WHY THE G3?

- The ROI is immediate. The system pays for itself in a few days every month; the rest is your profit
- It is a revenue driver. Your coin-in will increase thanks to multi-betting, dealer hand betting and player retention
- It can adapt to any table game and by linking games together, your casino will make more jackpot winners more often than the competition
- No Risk, No Capital expenditure proposal available. Call DEK today for more details.
